Amendment to Dunham Client/Investor Agreements – Request for Paperless Services

By agreeing to these Terms and Conditions, for all accounts named below with Dunham & Associates Investment Counsel, Inc. and affiliates, including Dunham Trust Company, Dunham & Associates Securities, Inc. and Asset Managers, Inc. (collectively "Dunham"), I consent to electronic delivery of all account communications and related documents, including, but not limited to, trade confirmations, account statements, account statement inserts and notices, fee billing statements, prospectus and supplements, financial statements, privacy notices, quarterly, semiannual, and annual reports, proxy material, and other regulatory shareholder materials ("Communications").

I understand that it may not be possible, at this time, to deliver all communications electronically and I agree to continued receipt of paper communications until such time as Dunham, issuers, or other third parties make such information available electronically. I further understand that even after I agree to paperless communications, I am always able to request a paper version of any document. I may also specifically request separately, in writing, to receive both paper and electronic versions of all communications by calling Dunham Client Services at 800 442-4358.

By requesting this service, I authorize Dunham to deliver all such communications to me by e-mail or to provide me with an e-mail that includes a hyperlink to an address on the Web or a Dunham Web site where the Communication is posted and can be read and printed. I agree that such delivery shall be deemed effective delivery to me whether or not I access or review the communication.

I understand that various Dunham affiliates provide account statements to me either monthly or quarterly and that every client/investor receives an account statement at the end of each calendar quarter regardless of account activity. The account statement contains important information about my account such as the price and quantity of securities I hold, the transactions I conducted, the overall value of my account at the end of the statement period, other investment information, and key terms and conditions. In addition to my initial statement, I understand that going forward I will be able to access my account statements up to 18 months on a rolling basis.

I also understand that absent any other agreement, various Dunham affiliates provide trade confirmations after the purchase or sale of a security. The trade confirmation provides important information about the terms of the transaction including the price, number of shares, and any commission. The terms and conditions of the transaction will also be provided in the e-mail or on a Web page link from the e-mail.

I further consent to the following:

- Electronic delivery of mutual fund prospectus in HTML format via the Web, when available. I understand that until this feature is available, I will continue to receive prospectus information in hard copy format.
- E-mail announcements for shareholder materials if I have a security position in an equity or mutual fund as of the record date for a particular matter and the materials are available electronically by the issuer or third party.

- Electronic householding of prospectuses, annual reports, semi-annual reports, proxy materials, and regulatory shareholder documents. If I and another person enrolled in this electronic delivery service use the same e-mail address, Dunham may send one e-mail announcement to this e-mail address if the account holds the same securities. Dunham may also send one e-mail announcement for statement inserts received by all clients/investors. I understand that in order to cancel householding of documents, I must send a written cancellation notice to Dunham.
- Electronic proxies, when available. Proxy voting instructions will be provided at that time.

To receive electronic delivery, I must have a computer and an account with an e-mail Internet Service Provider (ISP) compatible with Dunham's e-mail software. I may incur internet-related costs in connection with electronic delivery, such as the costs charged to me by my ISP and local telephone or cable companies for the time I spend on the Internet or the costs associated with printing e-mail notifications and Communications. Dunham's e-mail communications may be made available in either HTML (regular Web hypertext) or PDF (Adobe Acrobat Reader) format. They may be viewed electronically via the Web and printed with a local printer (using Adobe Acrobat which may be downloaded at no cost by copying the following link into the web address URL:

<http://www.adobe.com/products/acrobat/readermain.html>)

I understand that e-mails sent to me are not encrypted. However, the e-mail sent to me will not include my name, social security number, full account number, or any other personal identifier. However, I am aware that many e-mail addresses contain part or full names. Although Dunham believes e-mail to be a reasonably secure method of delivery, as with any form of communication, there is a risk of misdelivery or interception. To address this risk, I agree that if Dunham receives an indication that my paperless documents were not successfully delivered to me or that there is a problem with my e-mail address or service, Dunham will suspend electronic deliveries until Dunham is able to resolve the issue. If, after repeated attempts, Dunham is unable to resolve the issue, I will be sent a written notice that my electronic service enrollment has been cancelled. I understand that Dunham may contact me directly to help resolve any issues.

I understand that it is my responsibility to update Dunham with a new e-mail address and provide cancellation instructions for the old address. I understand I may also cancel this service at any time by providing written notice to Dunham at which time I will again receive paper copies of all communications.

By my signature on the Execution Page, I acknowledge and demonstrate that I can access, view, and retain the paperless documents described above in either HTML or PDF formats, as applicable, and that, when available, I wish to receive all future documents in electronic format only. I also acknowledge receiving a copy of this Agreement. I will contact Dunham on a timely basis to report any problem with my enrollment by calling Dunham Client Services at 800 442-4358.
