

**DUNHAM
TRUST COMPANY**

Dunham Trust Company Nevada Advantages

Dunham Trust Company is a privately held trust company founded in August, 1999. It is licensed and regulated by the State of Nevada, Department of Business and Industry, Financial Institutions Division.

For you. For them. For generations to come.

Nevada Advantages

Dunham Trust Company was established in the State of Nevada by design. Current advantages to using a Nevada trust company include:

-
- No state income tax on accumulated income or capital gains that are not distributed, depending on trust type
 - No state gift or estate tax
 - Excellent asset protection planning laws (Nevada is the preferred state for domestic asset protection trusts).
 - No “exception creditors” by statute or case law
 - Ability for trusts to be effective for 365 years
 - Shorter period of time required to obtain creditor protection (Nevada state law requires only a 2-year “seasoning” period from the date an asset is transferred to an asset protection trust and the date such asset is protected from creditors)
 - No corporate income tax and no franchise tax
 - Outstanding privacy laws
